6 February 2020

Dear Parents/Guardians

We have a very short newsletter this week:

SCHOOL FEES

Please remember to keep your child's school fees up to date. We are very grateful towards those parents who do keep their payments up to date.

Letters will be emailed on Monday to parents who are currently in arrears. Please reply to the email with the planned date of settlement

MID-TERM BREAK

Please take note that the mid-term break is coming up, which means that **the school will close on 27 February at 11 o'clock and re-open on 3 March**. The teachers will all be attending a Teachers' seminar on 28 February.

VISITORS TO SCHOOL

Please be reminded that all visitors to the school, whether parents or not SHOULD ALWAYS FIRST REPORT AT RECEPTION. This is extremely important for the sake of the students and staff at the school.

Under NO circumstances are parents allowed to come to school and directly go to a teacher's classroom for some or other query.

CONTACT DETAILS

We are still having great difficulty getting hold of some parents when a child is injured at school. PLEASE see to it that the school is in possession of contact numbers that are working.

This is very serious – imagine if your child is seriously injured at school and we can't get hold of you – it could have disastrous consequences.

Also make sure that your child's transport details are correctly supplied on page 2 of the school diary.

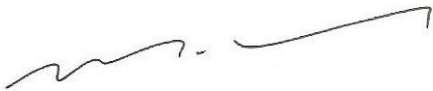

GENERAL

- The Tuck shop will be selling Hamburgers tomorrow at R20 each.
- Please see to it that ALL reply slips are returned to school by tomorrow, 7 February.
- Tomorrow, a very important letter regarding the teaching of an African language will be going out to all parents. Please be sure to ask your child for the letter.

- Parents who have not yet downloaded the D6 application on their phones or PC's are reminded to please do so as this is a valuable and effective means of communication between the school and parents.
- It remains a parent's/guardian's responsibility to ensure that their child's transport vehicle is roadworthy, that the driver is in possession of the necessary permit and license and that the vehicle is not being overloaded.

Have a blessed weekend from all of us at Assumption.

Kind regards

M. Enos (Principal)

Reading, maths and learning - made easy!

35+ Years in business | Research-based | 95% Success Rate

Learning is like building a house.

Without a strong foundation, the walls will crack and collapse.

In the same way, a child needs a solid foundation for learning.

Cognitive training provides the building 'blox' for a solid foundation for reading, writing and arithmetic.

Edublox specialises in educational interventions comprising of cognitive training, reading, spelling, comprehension and maths.

"Thank you for everything you've done to help my boy. Words cannot express how grateful we are!"

-Natasha, Edublox mom

Successful kids. Proud families!
